# DIRECTOR OF RECREATION

January 1 - December 31, 1965

---

This is my report as Superintendent of Recreation for The Community Center, Winchester, New Hampshire:

1. Mrs. Betsy Lincoln, Jr. of Warwick, Mass., was our Water Safety Instructor for the Day Camp Program. She did an outstanding job and many children were instructed in all phases of swimming from beginners thru Life Guard instruction.
2. The Day Camp Program was again very successful, and the same rates were charged as in the previous year. As in the past, no children from Winchester were denied the use of Day Camp because they could not pay. Many children could not pay at all; an average of 30 or more, each day came free. Many business firms and civic groups paid for some of these children. The dollar charged was mainly to cover the cost of Medical Insurance.
3. Miss Elaine McNamara worked as an assistant to both Mrs. Lincoln on the waterfront, and myself on the playground. Gary Hamlin, Gerald Gomarlo, John Gomarlo, and Sandra Salonen were the staff of Life Guards. This group did an outstanding job and I have great praise for them . . . many thanks.
4. I wish to thank the 18 High School Students who gave of their time to help make the Program a success. This group was given a free trip to Hampton Beach and spending money to give them an enjoyable day.
5. An overnight Camp Out was held at Forest Lake on the last day of the Program; some 116 took part.
6. The Center again sponsored a Pee Wee Team, Little League Team, and a Babe Ruth team. Pee Wee coached by Mr. Gil Conant and John Gomarlo. Both Gil and John worked hard to teach this group and did a splendid job. The Little League was coached by Mr. Bud Baker and Mr. Wally Schultz. A real splendid job of coaching was done by these two men as they coached the team to Championship of the League. Babe Ruth was coached by Mr. Phillip Pratt. A real sincere job was done by Mr. Pratt and with a little luck would have won the Championship. Many parents also helped with transportation. Without the help of these people this entire program of Baseball would not have been possible.
7. I have been a member of the Beach Committee the past year and have helped them when I could. I installed the Safety Lines at the Lake.

8. I have conducted Teen Age Dances throughout the year. An average of 90-100 Teen Agers have attended these dances. A New Year's Dance was held with 141 present. Premier of Discoteen Music was held for the New Year's Party.
9. Have organized and conducted a complete Bowling Program for both Grammar and High School groups with meets in Keene, between Keene, Hinsdale, and Winchester.
10. Re-surfaced the four Bowling Alleys and purchased necessary pins for the year's operation.
11. Have programmed and charted Bowling Scores for Wednesday Woman's League and the Thursday Men's League, which is a new league.
12. Maintain, clean, and keep the alleys and machines in working order.
13. Helped with maintenance in the hall and have resealed the hall floor; also set up for most weddings and parties.
14. Have coached a Grammar School Soccer Program on the High School Field.
15. Helped coach a Junior High School Basketball Team with Eddie Ford.
16. In the process of setting up a Tournament for the Junior High Basketball Team.
17. Have insured the Girls' Softball Team coached by Eddie Ford.
18. With Mr. Stetson's help, have constructed a parking lot. With help from Mr. Jackson and the Water Department, had the hydrant moved to better protect it.
19. It is again our policy, as far as possible, to give the children of Winchester FREE bowling, movies, and dance during school vacation periods.
20. The Center will again sponsor a Girls' High School Basketball Team. Miss Brenda Clough will coach and Mr. Eddie Ford will help her.
21. Our Senior Citizens' group has grown and many times as many as 25 or more enjoyed the program in a single afternoon. Mrs. Justina Polk gave the Senior Citizens a new Kiln for their Ceramic Program. Many thanks.  
The Director of the Senior Citizens, Mrs. Ruth Coffin, has done a job beyond words. She has guided this group and worked hard for its success, and without her, the success of this group would not have been possible. We are mighty lucky to have a person so dedicated as Ruth.  
The Senior Citizens have made mittens for needy children and have made Cancer Dressings for the Nurse. Their program has consisted of Ceramics, Caining Chairs, Making the Center more attractive, playing cards, shuffleboard, games, etc. They have a regular weekly program that is held every Wednesday afternoon at 1:00 P.M. Everyone is welcome.

22. Many thanks to Mr. and Mrs. French who, with help from the Current Events Club, have done over the lounge room at the Center. Mr. and Mrs. French also have repaired the blinds in the Center.
23. The Skating Rink is ready, weather permitting. It has been flooded, and good skating has been enjoyed by all age groups. I believe that the skating is the best in many years.
24. The Board of Trustees at the Center have been most helpful in making the past year a successful one. I wish to express my thanks to them for their help. The following have served on the Board: President Edith Atkins, Vice-President Richard Kossakoski, Secretary Shirley Mitchell, Treasurer Ralph Gregory, Jr., Mrs. Lucy Thompson, Mrs. Betty Plifka, Charles Lang, Jr., Ted Jackson, Ransom Rice, Francis Fosdick, Rev. William Norman, and Rev. Roger Houle.

I have enjoyed working as Superintendent of the Center for the past year and wish to thank all people who have helped make the past year a good year in Recreation for the people of Winchester. Again, I welcome any suggestions that will help me provide a better program.

Yours for Recreation,

GEORGE K. BRUSO,  
Superintendent of Recreation

# REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

---

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

## WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:
  - a. Always get a permit to burn from the warden.
  - b. Start your fire late in the day after 5:00 P.M.
  - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

Your library is now affiliated with the New Hampshire Library Development Program. This offers greater opportunity to expand with the help of the State Library, not only by funds, but by practical help by personnel and greater borrowing capacity of books. To elaborate slightly — we hope that before too long matching funds will be available for the purchase of reference material. There are now consultants ready to aid in any way, free of charge. There is one located in each of the four districts in New Hampshire at the branch offices. Faster and greater service is hoped to be realized by the institution of Service Centers in each district. These would offer immediate service and act as an intermediary between local library and State Library. Centralized purchasing of books and supplies is offered thereby receiving greater discounts. There was an initial gift for joining the Development System made by the State Library. This was \$125 worth of reference books, titles chosen by the librarians. I have been appointed as delegate and Mrs. Perry as alternate delegate to the Advisory Council, the governing body of the Development System. I am serving on the Qualifications Committee and the Nominating Committee at the present time. I have attended three Council meetings and four committee meetings this year.

Mrs. Perry and I attended the 2-day New Hampshire Library Association Annual Meeting in Concord in May and the fall Area Meeting of the Association held in Peterboro. Mrs. Margaret Nash, Trustee, attended this meeting also. Mrs. Perry and Mrs. Nash attended the New Hampshire Library Trustees' Meeting in Concord in October. Mrs. Perry and I have attended four book purchasing meetings at the Branch Office in Keene.

A free ten-week course in cataloging and classification, sponsored jointly by the State Library and the University of N. H., was given at the Branch office this fall. Mrs. Perry enrolled and completed the course.

Sliding doors were installed on the lower part of the front stacks, and formica tops added to the front stack shelves. This gives a much neater appearance and provides storage space for many items. An area was petitioned

off down near the furnace to provide space for the back-number magazines. This gives us more space upstairs for current numbers. New shelves were built in the librarian's office.

Our major exhibit this year has been a collection of the books belonging to the Washington Library, the first library in Winchester, instituted in 1813. These were given to the town in 1878 when the library was moved from the Dickinson house to the room in the Powers Block. It is an interesting collection of books, among which are the first five books purchased for the library — Marshall's 5-volume work on George Washington. This collection will be on exhibit in the historical room when it is ready.

The Cultural Heritage committee of the Winchester Woman's Club are going to arrange and help furnish this historical room. They have completed the cleaning and are now hanging pictures and making plans to arrange the items we already have. If anyone has any items of interest pertinent to Winchester history, please get in touch with the librarians.

It has been a busy year in all respects. Our service reaches to many corners of our township. It can be expanded with your help. Our hours are —

Thursday	10-12 A.M.	2-5, 7-8 P.M.

## Report for 1965 Season

The Park Commission decided to continue the excavation of sand from the beach area. Approximately 3,000 yards of sand were removed by the Payne Construction Co., Keene, N. H.

Then wooden steps were constructed by members of the Park Commission. The top area was seeded and a new flag-pole was installed.

The concession stand was renovated and the picnic area readied for the season. Season beach stickers were sold as follows:

Resident \$2.00 and Non-Resident \$3.00.

The concession stand was put out to bid for the season. The bid was awarded to Teedum Clough.

Mr. Bruso supervised the installation of safety lines and a new life guard chair.

A qualified lifeguard supervised public swimming on week ends.

Many parents and children enjoyed the summer season at the town beach. Also, Mr. Bruso used the beach for a well supervised day camp.

Plans are now being studied for the construction of a permanent retaining wall, which, again will make a major improvement on the town beach.

All finances have been raised by the members of the Park Commission.

NOTE: Tentative starting date for construction of the retaining wall will be after April 1, 1966, weather permitting.

Respectfully submitted,

FRANCIS C. GUTOSKI

STANLEY PLIFKA

This report has been approved by the Park Commission.

# FIRE DEPARTMENT REPORT

FOR THE YEAR 1965

## SAFETY PRECAUTIONS

Have fire extinguishers checked and refilled after each use. Read the instructions and know how to operate it in case you have to use it. The first few seconds is what counts when a fire starts.

Make sure all safety devices are installed on furnances.

Keep matches out of the reach of children. Two fires were caused by children playing with matches last year.

Check your home periodically for fire hazards.

HAYDEN T. HILDRETH

# WINCHESTER DISTRICT NURSING ASSOCIATION

## PRESIDENT'S REPORT

---

The Winchester District Nursing Association is fortunate to have Mrs. Irene Pratt continuing as our nurse this year. The year has been an active one for both nurse and council members. It was impossible to find a relief nurse in July or August; but we were very happy to have Mrs. Elaine Girard, R.N., of Gill, Massachusetts, substitute for Mrs. Pratt in September. Looking ahead, it will be necessary to have some additional help for our nurse in either the nursing or clerical area.

Our treasurer, Miss Judson, deserves much credit for her many hours of voluntary bookkeeping. She has kept our records in excellent order without any expense to us; many organizations would hire a paid worker for this office.

The demands on our association will undoubtedly increase with the implementation of Medicare. If the Winchester association is to become an approved participating agency under Medicare, it must offer a second therapeutic service.

The association held two regular immunization clinics and two special clinics for the Headstart program.

The nurse and council members attended an Institute, and the nurse attended a special Disaster Nursing Institute.

A set of clear plastic pneumatic pressure splints has been purchased by the association.

A Medical Self-Help Course was considered by our association; lack of interest in the fall of 1965 forced the committee to delay this course at this time. It is hoped that when a sufficient number of persons register interest in such a course that our association may sponsor it.

In November eleven Peace Corps trainees from Brattleboro assisted in making a pre-school immunization survey of the town. The group, also, assumed responsibility for publicity in connection with the November Immunization Clinic and evaluated the levels of protection achieved and that which should be attained before school age.

The Senior Citizens have kept the association supplied with disposable bed pads. At Christmastime this same group provided fifty-eight pairs of mittens, which were distributed. The American Legion Auxiliary made a money donation for Christmas giving.

Council members and townspeople have been most cooperative in offering use of cars and assisting the association in many other ways.

It is a privilege to lead such a worth-while organization as the Winchester District Nursing Association, and my hope is for its continued success.

Respectfully submitted,

LUCILLE HILL, President

# **REPORT OF AN AUDIT AND EXAMINATION OF THE ACCOUNTS OF THE TOWN OF WINCHESTER**

**FOR THE FISCAL YEAR ENDED DECEMBER 31, 1965**

Winchester, New Hampshire  
February 10, 1966

Board of Selectmen  
Town of Winchester  
Winchester, New Hampshire

Gentlemen:

We submit herewith our report of an audit and examination of the accounts and records for the Town of Winchester, New Hampshire for the fiscal year ended December 31, 1965.

## **SCOPE OF AUDIT**

Included in our examination and audit were the accounts and records of the Board of Selectmen, Town Treasurer, Tax Collector, Town Clerk, Highway Commissioner, Water Department, Fire Department, Library Treasurer, Trustees of Trust Funds and Town Beach Treasurer.

Summaries of all departments have been prepared and are on file with the Board of Selectmen and the Auditors.

## **AUDIT PROCEDURE**

The Audit Procedure included comparing vouchers and cancelled checks with supporting invoices and payrolls, as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures were verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Uncollected taxes were verified by mailing notices to all delinquent taxpayers, as indicated by the Tax Collector's records.

## **CERTIFICATION OF AUDIT**

This is to certify that we have examined and audited the accounts and records of the Town of Winchester, New Hampshire for the fiscal year ended December 31, 1965 and have found them to be in good order except as noted. To the best of our knowledge and belief the financial statements and summaries

reflect the true financial condition of the town for the period under review. We wish to extend our thanks to all the officials of the Town of Winchester for their assistance and cooperation during the course of our audit.

Very truly yours,

KENDALL BAKER  
CHERRIE W. SCOTT  
FRANCIS W. FOSDICK

Auditors  
Town of Winchester, New Hampshire

# SCHOOL DISTRICT WARRANT

---

To the Inhabitants of the School district in the town of Winchester qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 12th day of March, 1966, at two o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of the statutory obligations of the district.
9. To see if the district will vote to raise and appropriate the sum of one thousand three hundred ninety dollars (\$1,390.00) for the purpose of paving the high school parking lot, or take any action thereon.
10. To see if the district will vote to create according to the provisions of RSA 195 A:3 an area school planning committee consisting of three qualified voters of whom at least one shall be a member of the school board. The members of the committee shall serve without pay for a term ending at the third annual meeting of the district following the creation of the committee.
11. To see if the district will vote to accept the provisions of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the district under said Federal Act for such particular projects as may be determined by the school board. Further, to see if the district will authorize the school board to make application for such funds and to expend the same for such projects as it may designate.

12. To see if the district will vote to authorize the school board to make application for and to accept, on behalf of the district, any or all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire.

Given under our hands at said Winchester this tenth day of February, 1966.

# REPORT OF THE ELEMENTARY PRINCIPAL

---

To the School Board, Superintendent, and Citizens of Winchester:

The staff of the elementary schools of Winchester is very much the same as it was in 1964-1965 with two exceptions. Mrs. Adams resigned during the summer and Mrs. Margaret Holmes of Bernardston, Massachusetts, was hired to teach the combination grade three and four which was vacated by Mrs. Adams. The second exception is the addition of a new staff member. Mrs. Dorothy Howard of Keene was elected to instruct the Special Class. The remainder of the staff is as follows:

## Center School

Mrs. Janet Stohr — Grade One  
Mrs. Patricia Durling — Grade One  
Mrs. Beverly Duquette — Grade Two  
Mrs. Elinor Paine — Grade Two  
Mrs. Christie Jamieson — Grade Three  
Mrs. Alice Trueman — Grade Four  
Miss Kathleen Burrill — Student Teacher

## Ashuelot School

Mrs. Hazel Rubeor — Grade One  
Grade Two  
Mrs. Marion Tacy — Grade Three  
Grade Four

## Thayer High School

Mrs. Grace Ingham — Grade Five  
Mrs. Elizabeth Piper — Grade Five  
Mrs. Jean Kozlowski — Grade Six  
Mrs. Richard Boutwell — Grade Six  
Miss Gail Leonard — Student Teacher

The total elementary school enrollment as of December 31, 1965 was as follows:

Center School		Ashuelot School		Thayer High School	
Grade One.....	56	Special Class.....	13	Grade Five.....	53
Grade Two.....	36	Grades One & Two.....	18	Grade Six.....	54
Grade Three.....	49	Grades Three & Four	18		
Grade Four.....	42				

The total elementary enrollment was 339 pupils.

The beginning of the school year found grades five and six all at Thayer High School as the fifth and sixth graders from Ashuelot were moved to Thayer. We feel that this has been beneficial in several ways.

FIRST — The students from Ashuelot were given the same type of education enjoyed by those from Winchester. That would be a departmentalized approach to teaching the regular class subjects, Joplin reading program and a more modern classroom environment.

SECOND — By bringing Mrs. Kozlowski to Thayer we were able to add Math as a departmentalized subject. This now gives us Science, Social Studies, Math and English-Spelling as the departmentalized subjects. The individual teachers are also responsible for teaching one or two groups of reading, penmanship and music.

THIRD — By making the above change we were able to add additional reading levels in our Joplin approach to reading. Our reading groups and number in each group is as follows:

Grade Level	Number of Students
Level 3.5	12
Level 4.0	32
Level 5.0	27
Level 6.0	19
Level 7.0	10
Level 8.0	7

This distribution list points out very well the wide range of reading abilities when we remember that these are all fifth and sixth graders. This is why we feel that the classroom teacher cannot be expected to cover all levels in a self contained classroom and that the Joplin type program is an advantage as the students are grouped by reading ability. We must remember there are still differences, but the range is not as big. Once grouped, these students change rooms and go to the room in which their group meets for one hour of concentrated reading training every day.

The addition of an automatic bell system at Center School has been a help to both teachers and custodian. The teachers no longer have to watch the clock to ring recess and noon bells and the custodian is not tied down by bell ringing duties.

The new time schedule and bus schedule seems to be working very well at Center and Ashuelot Schools. We don't have the problem of students falling asleep in grades one and two that was prevalent in past years. There are only fifteen students who don't leave Center School at 2:30 and these students only have a twenty minute wait. This has cut down considerably on the discipline problems and torn clothing, as the long waiting period at the end of a long day has been eliminated and by so doing made the school day more enjoyable for students and teachers.

The modern math program has progressed thru grades three and four and will be put into grades five and six next fall.

I wish to take this opportunity to publicly thank the town librarians at both the Ashuelot and Winchester Town libraries for their cooperation in making books available to our students and furnishing reference material to our teachers.

The students at Ashuelot go to the town library every second Friday morning. They spend approximately twenty-five minutes going from the school to the library, selecting a book and returning to the school. The students give up their recess time to do this.

The classes at Center School are scheduled into the Winchester Library weekly on Tuesday and Thursday mornings. It is from this library that the bookmobile books originate. These books come from Concord via the bookmobile and upon arriving here, Mrs. Atkins chooses approximately 350 books four times a year. They are then distributed to the three schools to be used as supplementary reading books and as reference books in the various subject areas.

We have found the library most cooperative in trying to further public awareness of education. This was especially true during American Education Week during which time the work of the elementary school students was on display at the library. The library has also made available a film service through which the teachers can get films to supplement their units of study.

The new science texts arrived this fall and are now being used. The text decided on was, *Today's Basic Science*, published by Harper and Row.

The order of testing has been changed somewhat this year. We have already given the yearly achievement tests. We gave them this fall to give us a picture of students' strengths and weaknesses so that we could concentrate our teaching efforts on the weak areas. We feel that by giving this test in the fall rather than in the spring the full diagnostic value of the test can be achieved. We will retest some of the students in the spring to aid us in making promotional decisions.

On Thursday, October 14th, the elementary teachers of Winchester attended a local workshop. During the morning session, the teachers listened to Miss MaMuska describe the philosophy and varied approaches of teaching the Rinehart Handwriting system. Mr. Santos then ran a Music Clinic, during which he stressed the importance of note reading in the teaching of elementary music. The afternoon session was run by Mr. Frank Bennett. Mr. Bennett is the science coordinator for the Belmont, Massachusetts, school system. Mr. Bennett used the teachers as students and demonstrated the experimental approach of attacking the instruction of science concepts. The session consisted of the teachers experimenting with various materials used in the teaching of science, writing down their discoveries and then exchanging ideas orally to develop the desired concepts.

The special class at Ashuelot seems to be working very well. The students are trying very hard and many, for the first time, really enjoy school. Having it at Ashuelot has worked out very well as there was plenty of room and because of the small classes in the other rooms it has been possible for some of

the students to go into other grades in some subject areas. Many of these students are experiencing success for the first time in school work. It is just such experiences that will build the self confidence of these students and help them to achieve to the best of their ability.

The staff at the elementary level is looking forward to the deletion of a double grade next year. It now looks as if we would have two firsts, two seconds, one third and two fourths at Center School. If this is true, it would mean doing away the the combination third and fourth grade and anytime we can do away with a double grade, it is a step in the right direction.

We appreciate the help the elementary area of Winchester's educational program has received during the past two years to aid us in updating our program. There is still a need for further upgrading and the adoption of more up-to-date methods of grouping and attacking educational problems.

The problem of adopting the newer trends in grouping and the newer approaches of learning is seriously limited in Winchester by the lack of elementary facilities.

The first drawback is the fact that the elementary students are in three schools. This limits the amount of grouping which can be done and you cannot utilize the abilities of certain teachers to their fullest extent nor can your principal accomplish all he would like to do.

The lack of a room big enough to put all the grades together means overlooking many educational opportunities which could be offered to the students if space were available.

We realize the school board and school planning committee are working to solve these problems but, for those of us bound up in the problems, the wheels of progress seem to turn very slowly.

In closing, I wish to thank the School Board, Superintendent, Teachers and Citizens of Winchester for their cooperation in making the past school year a success.

Respectfully submitted,

GORDON BEAN

Elementary Principal

# REPORT OF THE HIGH SCHOOL PRINCIPAL

---

I hereby submit the annual report for Thayer High School to the Superintendent of Schools.

Enrollment for the school year 1965-66 as of December 31, 1965 is as follows:

Grade 12.....	29	Grade 9.....	36
Grade 11.....	35	Grade 8.....	53
Grade 10.....	43	Grade 7.....	43

Several changes were made in the faculty this year, and I am very happy to state that the new members are adjusting very well to their new positions. Mr. George Payne teaches Driver Education and History; Mrs. Ann Ladam, Art and English; Mr. Ervin Doyle, high school Mathematics; and Mr. Ernest Kay, Industrial Arts.

The faculty at Thayer High School is very busy getting ready for evaluation by the New England Association of Colleges and Secondary Schools. This was started last year and is to be finished next April, at which time a committee of nine members from around New England will visit the school for three days and judge each phase of our school program. The purpose of the evaluation is to secure a sound appraisal of the quality of the school and to encourage the staff to seek better materials and procedures.

Several new courses were added to the school curriculum this year. Spanish 1 is being taught by Mrs. Pearl Farman, Public Speaking and Creative Writing by Mrs. Ann Ladam and Driver Education by Mr. George Payne.

As a matter of record, a summary of the 1964 Commencement and a list of graduates follows:

### Essays

Maureen Loll	Donna Nelson
Sandra Salonen	Marcia Ryll
Joseph Starkey	Lauren Zwolinski

Maureen Loll was the recipient of the Josephine Mansfield Sprague Music Award.

The honor students were Lauren Zwolinski, Maureen Loll and Marcia Ryll.

The class marshal was George Nelson.

The graduating class of 1965 were as follows:

Juanita Ayers	Donna Nelson
Jean Barden	Wayne Nelson
Edna Boomhower	Howard Newell
Gordon Bryant	Gianna Palmer
Brenda Clough	Diane Picard
John Dejnak	Eugene Piurkowski
Brenda Derby	Stanley Plifka
Carol Dick	Yvonne Poppe
Ruth Fischer	Margaret Powers
Donna Hamlin	Kathleen Ryll
Herbert Harvey	Marcia Ryll
Carole Hatfield	Sandra Salonen
Charles Hildreth	Ronald Smalley
Alden Holmes	Richard Smith
Allen Holmes	Carol Snow
Gale Hopkins	Joseph Starkey
Barbara Howe	Joseph Stevens
Betty Joslyn	Joan Tacy
Marie Kennedy	Richard Tacy
Maureen Loll	Elwin Truesdell
Linda Lorando	Rosalie Wood
Gloria Nedeau	Lauren Zwolinski

During the year 1965 the Guidance Department was gratified to see evidence of increasing favorable student regard for education.

Among the favorable trends noticed was a continued reduction in the dropout rate. The rate, (exclusive of withdrawals for physical and mental reasons), dropped to a new low of 1.9%. This marks the lowest percentage in recent years.

Significant also was the fact that more than fifty per cent of the fifteen seniors who went on to areas of post secondary education entered four year colleges, and are still continuing with their selected college.

Values which appear to be emerging from the underachievers' counseling program and the Junior High School guidance classes, include a growing student interest in earlier investigation of careers. There is a resulting desire on the part of students to establish scholastic records more in keeping with ability, in order to better satisfy the career and post-secondary requirements. Much reading of career materials is being done by students at various grade levels.

The testing program for 1964-1965 was as follows:

The National Educational Development Test was administered to 17 students from grades 9 and 10 during March.

The National Merit Test was administered to 6 students in March.

The Sophomore Testing Program was administered to 36 students in February.

The Preliminary Scholastic Aptitude Test was administered to 21 Juniors and Seniors in October.

The Eighth Grade Testing Program was administered to 36 students in November.

The General Aptitude Test Battery was administered to 36 seniors, through the cooperation of the State of New Hampshire Department of Employment Security.

The Kuder Interest Inventory was administered to various times during the year to a total of 48 students.

Weschler Adult Intelligence Tests were administered to 4 students during the year.

Arrangements were made for 9 seniors to take the College Entrance Examination, (A.C.T. or S.A.T.), during the year.

Peabody Picture Vocabulary Tests were administered to 25 students at various grade levels during the year.

The Community Scholarship Fund sponsored by the combined Student Council and National Honor Society, raised \$300.00 as a result of a supper and a community fund drive. From this, four \$75.00 scholarships were granted to deserving students. Many thanks are due the people of Winchester for their support of this worthy cause.

Music has and always will be an integral part of the total educational system of Winchester, as long as parents and interested citizens continue to support this program. Because of this support, the Thayer High School Band will perform in new uniforms this year.

Approximately 90 students are involved in the instrumental program. Lessons are given during school time, after school, and on Saturday morning. With this large group to draw from, the band has increased its size to 55 members, including honor guard and twirlers.

The band performed in various community and area parades, as well as two concerts at the Town Hall.

As in the past, general music lessons are given in every class from grades one through eight at least once a week.

An elementary chorus, consisting of students from the third, fourth, fifth and sixth grades, has been organized. This chorus appeared in the Christmas concert and Pops concert.

It is hoped that this elementary chorus may become a permanent organization to provide students with a sound choral preparation, as the elementary band provides instrumental preparation for those students studying instruments.

Twenty-four members of the High School Chorus left its ranks this past June through graduation, but the new members have done an admirable job in filling these vacancies. The Chorus now consists of 60 singers.

Maralyn Ryll attended the Summer Music Camp at the University of New Hampshire. She was sponsored by the Winchester Women's Club.

Maureen Loll, Ruth Fischer and Lauren Zwolinski were selected to attend the All-State Festival at Littleton, New Hampshire.

The record of cash on hand as of December 31, 1965 for the various classes and clubs follows:

Class of '66	\$1,612.26
Class of '67	571.31
Class of '68	432.34
Class of '69	198.91
Class of '70	112.81
Class of '71	26.50
General Fund	138.41
Athletic Association	141.02
Music Fund	328.89
Student Council	70.91
Thayer Revue	767.18

This school year has been a very busy and successful one. I wish to express my appreciation to those who have made this possible, with special thanks to the Winchester School Board, Superintendent of Schools and Faculty.

Respectfully submitted,

PAUL C. McNAMARA  
Principal

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Winchester:

I hereby submit my fifth annual report.

## STAFF CHANGES:

The following are no longer in the Winchester School District:

- Mrs. Marjorie C. Adams who taught the combination grade three and four at the Center School moved to Vermont.
- Miss Pauline I. Torrence, teacher of the combination grade three and four in the Ashuelot School, resigned.
- Mrs. Edith G. Brandt who taught and supervised Art in both Winchester and Hinsdale is now teaching in Vermont.
- Mr. Alfred H. Croteau, Jr., Industrial Arts instructor, resigned to accept a teaching position in Massachusetts.
- Mrs. Donna L. Levesque, Mathematics teacher, resigned to accept a teaching position in Vermont.
- Mr. Wayne M. Tucker who taught English and Social Studies resigned to accept a teaching position in another state.

The new teachers to Winchester this year are as follows:

- Mrs. Margaret E. Holmes, B.A., University of Massachusetts, was elected to teach grades three and four at the Center School.
- Mrs. Dorothy F. Howard, B.Ed., Keene State College, is the teacher of the new special education class.
- Mrs. Marion L. Tacy received her training at the Boston Perry Normal School and Keene Teachers College and is the combination grade three and four teacher in Ashuelot.
- Mr. Ervin F. Doyle, B.A., University of Bridgeport, was elected to teach high school Mathematics.
- Mr. Ernest Kay, B.Ed., Keene State College, was hired to fill the Industrial Arts vacancy.
- Mrs. Ann T. Ladam, B.Ed., Keene State College, is teaching English, Social Studies, and Art at Thayer High School.
- Mr. George A. Payne, B.Ed., Keene State College, was elected to teach Social Studies and the new Driver Education course.

The current enrollment shows a total of 582 boys and girls enrolled in grades one through twelve in the Winchester schools. This is a decrease of two over a year ago. The enrollment at Ashuelot shows a net decrease of eleven as a result of moving grades five and six to Thayer and adding the special class. The Center School enrollment is exactly the same as a year ago whereas Thayer High School increased by nine.

In looking at the future enrollments, it appears that elementary enrollments are decreasing while the high school enrollments are increasing. Various uncontrollable factors might influence enrollments, so that predictions based upon projected figures must be made in terms of trends rather than absolute statement of fact. Keeping this limitation in mind, it may be concluded that high school enrollments will continue to increase even though elementary enrollments do not.

**FACILITIES:** We are continuing to utilize our three buildings to the maximum. Additional space is becoming a necessity and the adequacy of the Center School facilities is questionable. The Winchester School Board and School Planning Committee have been and are continuing to study these problems in terms of the kind of educational program which would be best for Winchester. It is hoped that they will be able to ultimately recommend a program which will meet with the approval of the citizens of Winchester.

**EDUCATIONAL PROGRAM:** A year ago, I indicated areas which needed our attention. Among the needs noted were special education for the intellectually retarded, driver education, elementary school library services and physical education. We now have a special education class and a course in driver education. Progress is being made.

On the secondary level, an evaluation will be conducted this year by the New England Association of Secondary Schools and Colleges. This evaluation will show where we are doing a good job and, also, recommendations will be given for improving our secondary school program.

At the elementary level, space limitations make it necessary to continue with three combination grade situations, one at the Center School, two at the Ashuelot School. However, we were able to eliminate one combination grade at Ashuelot by bringing the fifth and sixth grade to Thayer High School. The special class at Ashuelot is meeting a need at the elementary level. It may be possible in the future to expand this program to the secondary level by having a cooperative special education program with Hinsdale. Since both communities now have an elementary special education program, it might be feasible and practical for one community to operate a special class for elementary pupils from both communities and the other to operate a special class for secondary pupils from both communities.

The solution to educational problems are not easily come by. They require long hours of study and invariably have financial implications. However, investment of time and resources in providing the best possible education for our boys and girls result in dividends which benefit the whole community.

Again, I wish to express my sincere appreciation to the principals and teachers, pupils and parents, the School Board and School Planning Committee, and the patrons of our schools for their understanding and cooperation.
